- Hirelings must have fewer hit dice than their boss

1. Henchmen

Henchmen are sidekicks which can gain XP and level up like players. There are two ways to gain a henchmen:

1. If a hireling survives three sessions, they can become a level 0 henchman.

2. A NPC can be persuaded to become a player's henchmen through roleplay. The dungeon master will decide what level they start at.

- Henchmen have 10 slots.
- Henchmen have a d8 hit die, and calculate HP like players.
- When a boss gains xp, they can choose to direct upto 50% of that XP to their henchman.
- Instead of upkeep, henchmen are paid with a portion of their boss's treasure. That portion is equal to two divided by their loyalty.
- At 2nd level, they gain one ability. If their boss is a spellcaster, they can memorize one 1st level spell from their boss. Otherwise, they choose one **fighter skill**.

- At 4th level, they gain a second ability. If their boss is a spellcaster, they can memorize one 2nd level spell from their boss. Otherwise they choose one advanced fighter skill.
